*Perform successfully in any interview situation*

Richard Fallon

**HARROVIAN SPEAKERS CLUB** is hosting an interactive workshop in "**Bringing the best you - Interview Skills That Help You Succeed**" delivers by Toastmaster, Coach, Trainer and Speaker **RICHARD FALLON**.

**With this workshop you will know the secrets of:**

- What makes successful interview responses, and

- The tricks and strategies that Richard has developed for you to perform successfully in any interview situation, such as a job interview, getting a promotion, or just position yourself as an authority or an expert in your area.

**During this exciting, 90-minute, hands-on workshop you will learn:**

- to engage your audience and get your message across
- to flex between the credibility of the position you are applying for, and the approachability of the person who will become a new colleague
- to exert influence by putting yourself in your future employer's shoes and answering questions to meet their needs
- to stand out from the crowd

Once you master these core skills you will have the confidence to deliver effective responses, even under the most extreme interview challenges.
