PMI UK Toastmasters will give you the skills and confidence you need to effectively express yourself in any situation. Public speaking is a key project management skill and Toastmasters is an efficient, enjoyable and affordable way of gaining great communication and leadership skills. By learning to effectively formulate and express your ideas, you open an entirely new world of possibilities. You'll be more persuasive and confident when giving presentations and you'll improve your one-on-one dealings with others.

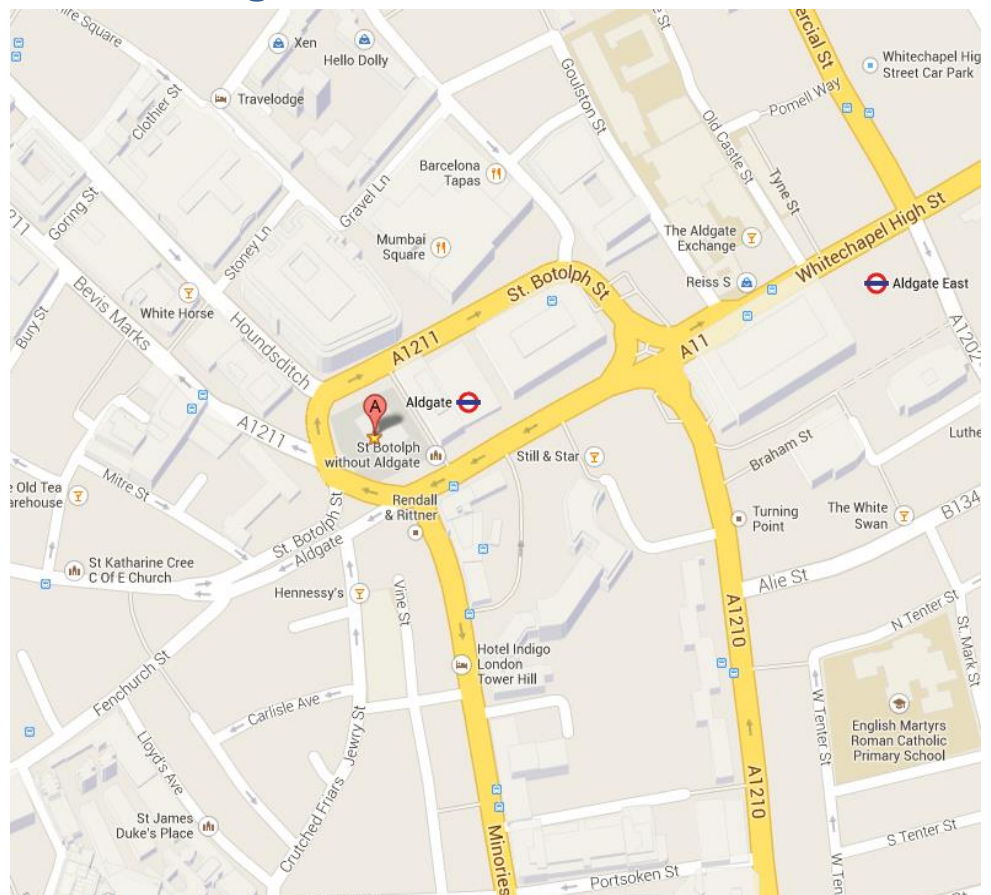

Do not expect to sit passively in the audience listening on whilst somebody delivers a long lecture on a specialist subject; Toastmasters is all about participation and you could be listening to somebody delivering a speech all about their last exotic adventure or computer passwords, equally you could be delivering a speech yourself! Come along and see what you think, and afterwards I'm sure you'll want to be involved at the next PMI UK Toastmaster Club event.
